

JUROR: Linda Baker

Linda Baker, a full time artist and teacher and highly sought after juror, delights in capturing the extraordinary light that transforms a subject matter to abstraction. Explore the mystery of water media through the strong design approach in this four day workshop. Regardless of skill level or subject matter, a strong design gives you confidence to bring your artwork to the next level. Through pouring, scumbling, rich wet into wet, and other dramatic techniques, you will learn to create interesting backgrounds and powerful focal points. This workshop will include daily demos, presentations, critiques, and personal consultation. In her contemporary approach to traditional subject matter, Linda simplifies the complicated and brings out the unique in the ordinary.

COST: KWS members \$350.00, nonmembers \$390.00. Visit www.lindadalybaker.com for more information.
